## Message from Chancellor

Our University is a contemporary and innovative multidisciplinary place, where individuals are not restricted by the boundaries of a particular discipline. It is dedicated towards imparting high-quality, value-based education. We empower you with requisite skills to enhance your employability, confident to explore new opportunities and confront challenges in the emerging future. We have developed a collaborative environment conducive to learning, exposure to the best practices and promotion of innovation and creativity.

Our challenge is to help generate ideas that will benefit society and learn to work in domains where you will be valued both for your specialized knowledge as well as for your ability to research, communicate and solve problems. A holistic perspective with the right degree of flexibility is the key driver of our academic policies. The entire course structure is regularly reviewed and updated to keep pace with the fast-changing technology and skills.

To make an instant connect with the aspiring gen-next in the most effective manner, the University attracts the best minds towards mentoring and guiding so that our graduates are a force to reckon with in the new, interconnected and border less world of the new millennium.

Er. Pankaj Agarwal  
Chancellor

## Message from Pro-Chancellor

Our ability to transform lives and society underpins who we are and what we do. We have built our reputation on delivering high quality teaching that transforms lives, and powerful partnerships that create new possibilities, transforming the way we approach and tackle the challenges that face us locally and globally.

So, it is always rewarding when others recognize the work and achievements of this great university and its people. In addition to continuing to enhance our national and international approach we were the proud partners with the 1st International Conference on Precarity, Populism and Post-Truth Politics which took place at the Rectorate of the University of Córdoba (Spain) and the Faculty of Humanities. We organized TEDx twice, once in Nov. and again in February with the theme of BERATE: DECIPHER: DISSEMINATE.

Our recent campus developments and investments also gained recognition, like SRMU Kitaab festival, the first Entrepreneurship Summit and more.

These and many other successes were delivered in the year 2017-18, and in these times of uncertainty our ability to chart our own course is more important than ever. With our CSR programs like Apni Pathshala and NSS we are planning to come with more program to give back to the society.

We hope to move forward establishing benchmarks in academic excellence and holistic grooming to help our students to meet the career challenges in the increasingly globalized economic conditions.

Er. Pooja Agarwal  
Pro-Chancellor

## Message from Vice Chancellor

A preview of the Annual Report 2017-18 evokes a sense of achievement and pride. As we enter the seventh year of our academic journey, we look back with pride at the many milestones that have been achieved by us as an institution of excellence. SRMU has been ranked 15th amongst the top private universities of India and also made international mark by being partner with Rectorate of the University of Córdoba (Spain). Organising TEDX twice was another feather in the cap. Following our dictum “Knowledge is Power”, Shri Ramswaroop Memorial University has been on the path by being part of wonderful CSR programs like Apni Pathshala, NSS and planning for more.

Our efforts are always focused on creating and developing an environment for innovation and research. We have a talented pool of highly qualified faculty, mentors and guides with significant industry experience to ensure you learn from the best. We have adopted global standards of learning, industry-ready curriculum. The University is pioneering new ways of using online technologies to enrich the educational experience and is expanding opportunities for learners to become job providers, not just job-seekers.

Our students at SRMU are provided excellent placement opportunities in reputed organizations and we are expanding the opportunities for them by being entrepreneurs themselves by organizing the first Entrepreneurship Summit.

Besides academics we offer the best facilities for extracurricular activities that provide with opportunities to develop your talent and skills to full potential and imbibe values that you will need for life. Student-led clubs, social, cultural and sports activities enliven the campus and prepare you to be mentally and physically fit, so necessary in high demanding job profiles. We nurture you to be a good human being and excel in different realms of life and prove your calibre. We inculcate in you a desire to succeed that is far greater than the fear of failure.

Prof. (Dr.) A.K. Singh  
Vice Chancellor

## Preface

*“A man's mind, stretched by new ideas, may never return to its original dimensions.” - Oliver Wendell Holmes Jr.*

It gives me pride to furnish this Annual Report of our University for the academic session 2017-18. This report provides a brief overview of the University's major activities and achievements for the academic year 2017- 2018, as well as a glimpse of the recent institutional developments and new priorities that will shape the University for the future. The Report is a true reflection of SRMU's strong foundation, growing performance and insights of its diverse intellectual assets. The University is currently in the 7th year of its operations and has shown substantial growth since the inception

The University sincerely acknowledges the guidance and support given by the Hon'ble Chancellor, Er. Pankaj Agarwal and Er. Pooja Agarwal, Pro Chancellor - Shri Ramswaroop Memorial University for their inspiring and dynamic leadership to implement various initiatives. Prof. (Dr.) A.K. Singh, Vice Chancellor, Shri Ramswaroop Memorial University played a key role during the review process by the University Grants Commission, introducing new academic programmes and successful conduct of the various academic/ administrative activities of the University.

I love learning about all the amazing things being done in the SRMU community. The achievements of our students, alumni, faculty or staff keeps amazing me. The 2017-18 Annual Report collects many of these accomplishments from the past year, and reflects the hard work and dedication of all the people who are building our University's future. Their drive and achievements energize the University as we continue to focus on five priority areas: student life and learning, research and innovation, community engagement, our work culture, and transforming our physical and virtual campus.

It is a time of both transition and endurance. We are implementing a collective vision that recognizes how the needs of our community are changing—just our country and our world are changing, too. At the same time, we draw strength from knowing that our fundamental values have evolved over the last years. We love learning and discovery. We embrace challenge, and are committed to excellence. We explore new ways of looking at the world, and search for sustainable approaches to how we live and work. We act on our deep responsibility to use our knowledge to serve that world.

Together, we are building a future that is open, connected, and purposeful. We are proud of who we are, and excited about what SRMU is becoming.

Prof. V. K. Singh  
Registrar

## **PROFILE OF SHRI RAMSWAROOP MEMORIAL UNIVERSITY**

Shri Ramswaroop Memorial University, Lucknow-Deva Road, Barabanki in the vibrant state of Uttar Pradesh has been established by an Act of State Legislature of Uttar Pradesh (UP Act No.1 of 2012) as a Private University vide Gazette Notification No. 530(2)/LXXIX-V-I-12-1 (ka) 27-11, dated 04th July 2012 and registered under Section 2 (f) of UGC Act and is empowered to award degree under Section 22 of UGC Act.

The establishment of Shri Ramswaroop Memorial University (SRMU) is the culmination of the expertise developed over 20 years' quest for excellence by Shri Ramswaroop Memorial Group of Professional Colleges (SRMGPC) and marks another step in the direction of shaping myriad hued dreams and turning them into achievable reality.

Founders of the university, alumnus and gold medalist from IIT Kanpur, envision Shri Ramswaroop Memorial University being a world class University by achieving excellence in the fields of education, research & consultancy, through socially enriching and ethically responsible pursuits. The phenomenal journey of the group dates back to 1999. With just 22 students and an unwavering commitment to quality education, led to birth of SRMU.

SRMU is a confluence of academic, cultural and intellectual resources. With the vision to be a globally recognized place of teaching-learning, doing research and preparing human capital with ethical, social and ecological sensibilities, thereby contributing to the national prosperity, Shri Ramswaroop Memorial University is committed to achieve the highest levels of distinction in the innovation and transmission of knowledge and understanding. The University fosters a student-centric environment and provides student centered, interdisciplinary, multidisciplinary programs leading to professional excellence. At present 10 Institutes offer a wide spectrum of choice for students to choose Under-Graduate, Post-Graduate, Diploma, M. Phil. and Doctoral programs in Engineering (Mechanical, Civil, Electrical, Electronics & Communication, Computer Science), Biotechnology & Bio-Science, Management, Commerce, Economics, Computer Applications, Media Studies, Legal studies, Education, Natural Sciences & Humanities, Architecture and Agricultural Sciences.

The University upholds the highest ethical values, integrity and professionalism as well as commitment to academic freedom, transparency and accountability. University also embraces and acts on responsibility to guarantee diversity and equity. It is our endeavour to impart education which enhances the personality of our students, giving them the strength of character and intellect, which teaches them to be self-sufficient in this extremely competitive world. Our curriculum is therefore contemporary in nature, and incorporates various innovative programs that open up novel avenues for our students' future.

At SRMU, the focus is on helping the students to emerge as educated and socially sensitive individuals who can make a positive change in society and for whom the nation will always come first. We provide our students with facilities to give them a world class educational experience.

SRMU takes pride in its excellent faculty, which is from leading Central Universities and premier institutes like IIT and IIM etc. Constant interface with industry stalwarts and a compassionate management leads to innovative pedagogy and revision of the syllabus, making the courses relevant and employment enhancing. University encourages shared

decision making through a process that rests upon collaborative consultation, open flow of information, diverse involvement and collective deliberations of all stake holders.

The University is committed to maintain academic excellence through quality education, extra-curricular activities and lifelong learning skills. Our vision at SRMU is not merely to impart information but to make learning a harmonious experience which helps our students to shine in each and every aspect of life. Here, education is cumulating highest ideals in the hope so that it can become a medium, through which we can serve our nation by developing a highly educated, informed, efficient and ethical pool of human resource.

Our aim is not only to simply educate, but also to inculcate values, honesty, integrity and a capacity for hard work. The deep-rooted spiritual tradition of our Indian culture is merged effortlessly with modern technology and teaching practices to create a value-based education system capable of transforming the students into professionals, who will become harbingers of social change.

The University is working towards common goals with other stakeholders in the university and the community through outreach programs while valuing teamwork, participation, and diversity of ideas and perspectives. At Ramswaroop, our dream is to enable our students in realizing their dreams and to send them forth into the world, as confident individuals pursuing their goals. With the motto of **Chase Reality...Dreams Will Follow....**, SRMU is set to create a benchmark in the education system.

## **ABOUT THE INSTITUTES/FACULTY/DEPARTMENTS**

### **Institute of Technology**

The Institute of Technology is committed to provide focused learning in the fields of science and technology with the aim of creating human resources with knowledge and abilities to contribute successfully to the ever-changing world.

### **Department of Computer Science & Engineering**

#### **Programmes Offered**

- BCA
- B.Sc. IT
- MCA
- Ph.D

### **Faculty of Civil Engineering:**

#### **Programmes Offered:**

1. B. Tech.
2. M. Tech. (Environmental Engineering)
3. M. Tech. (Structural Engineering)
4. M. Sc. (Environmental Science)
5. Ph,D (Environmental Engineering and Structural Engineering)

### **Department of Electrical Engineering**

#### **Programmes Offered:**

- B.Tech.
- M. Tech (Power System Engineering)
- M. Tech (Renewable Energy & Energy Audit)
- M. Tech (Power Electronics & Electric Drives)
- Ph.D.

### **Department of Electronics and Communication Engineering**

#### **Programmes Offered:**

- B.Tech.
- M. Tech (Digital Communication Engineering)
- Ph.D.

## **Faculty of Mechanical Engineering**

### **Programmes Offered:**

- B.Tech.
- M. Tech. (Production & Industrial Engineering)
- Ph.D

## **Institute of Natural Sciences and Humanities**

The institute is essentially required with all the academic programs that run across the University. Our Institute consists of four Faculties viz. a viz. Faculty of Physical Sciences, Faculty of Chemical Sciences, Faculty of Mathematical & Statistical Sciences and Faculty of Humanities & Social Sciences. We have more than 30 faculty members, we also have research scholars who are pursuing Ph. D from our Institute.

## **Faculty of Chemical Sciences**

### **Programmes Offered:**

- B.Sc. (Hons)-Chemistry
- M.Sc.
- Ph.D.

## **Faculty of Mathematical and Statistical Sciences:**

### **Programmes Offered:**

- B.Sc. (Hons) (Mathematics)
- M.Sc. (Mathematics)
- Ph.D

## **Faculty of Physical Sciences:**

### **Programme Offered:**

- B.Sc. (Hons) Physics
- M.Sc. Physics

## **Faculty of Humanities and Social Sciences:**

### **Programmes Offered:**

- B.A. (Hons.) English
- B.A. (Hons) Applied Psychology
- BA (Hons.) Sociology
- MSW (Master of Social Work)
- Ph.D

## **Institute of Bio-Sciences and Technology**

The Institute of Bio-science & Technology was started as a Faculty of Biotechnology under the Institute of Engineering & Technology in 2012. After two successful years it was elevated to Institute of Bio-science & Technology in 2014.

### **Faculty of Biosciences**

#### **Programmes Offered:**

- B.Sc. (Hons) -Bio-Tech
- M. Sc. (Bio-Tech)
- M.Phil. (Bio-Tech)
- Ph.D

### **Faculty of Biotechnology:**

#### **Programmes Offered:**

- B.Tech. Biotechnology
- M.Tech. Biotechnology
- Ph.D Biotechnology

## **Institute of Management, Commerce and Economics**

IMCE incorporates management education through academic-industry collaboration, promoting Entrepreneurial programs. It helps in creating an innovative, ethical and intellectual environment with a focus on leadership and management in the global market. The Institute offers flagship MBA, BBA, B.Com.(Hons.), B.A. Economics (Hons.) and Doctoral programs.

#### **Programmes Offered:**

- Bachelors of Business Administration
- Bachelors of Commerce (Hons.)
- Bachelors of Arts (Hons.) Economics
- Masters of Business Administrations
- Ph.D.

## **Institute of Diploma Studies**

The purpose and aim are to impart theoretical and practical training to our students with full attention on skill development in their respective field of study in order to prepare them to shoulder the responsibilities post completion of Diploma with confidence and perfection.

### **Programmes Offered:**

- Diploma in Mechanical Engineering (Production)
- Diploma in Electrical Engineering
- Diploma in Civil Engineering
- Diploma in Computer Science & Engineering
- Diploma in Electronics & Comm. Engineering
- Diploma in Mechanical Engineering (Automobiles)

### **Institute of Legal Studies**

The Institute is intended to educate and encourage the students through developing an insight and deep knowledge about the intricacies of law.

### **Programmes Offered:**

- Integrated BBA-LL.B. (Hons)
- Integrated B.Com.-LL.B. (Hons)
- Integrated B.A.-LL.B. (Hons)
- LL.B.
- LL.M. (Criminal & Security Law)
- LL.M. (Corporate & Commercial Law)
- LL.M. (Constitutional & Administrative Law)
- Ph.D.

**Thrust Areas:** International Law, Constitutional Law, Criminal Law, IPR, Cyber Law, Human Rights Law, Business Law.

### **Institute of Media Studies**

The Institute of Media Studies aims to equip its students with core competencies that will ensure industry-ready professionals. Here, stress is on practical knowledge and learning from professionals.

### **Programmes Offered:**

- B.A. (JMC)
- M.A. (JMC)
- Ph.D.

### **Institute of Education and Research**

The Institute aims to achieve excellence in the fields of Education and Research through socially enriching and ethical responsible pursuits.

### **Programmes Offered:**

- B.Ed.
- Ph.D

Thrust Areas: Teachers' Training

## **Institute of Architecture and Planning**

The institute aims in producing future architects who are able to handle real life situations in a better and effective way.

### **Programmes Offered:**

- B.Arch.
- Bachelor in Interior Design
- Diploma in Architecture

## **WORKSHOP AND LABORATORIES**

SRMU has the best in-class laboratory and workshop facilities for carrying out teaching, research and consultancy related work across various disciplines of engineering, architecture, biotechnology, journalism, mass communication etc.

- Computer Lab
- Engineering Workshops
- Laboratories
- Media Lab
- Moot Court
- Biotechnology Laboratories

## ACADEMIC RESOURCES

The strength of academic resources are Faculty Members, Supporting Staff, Library, Workshop and Laboratories

### **The Faculty Members:**

SRMU takes pride in its excellent faculty, which is from leading Central Universities and premier institutes like IIT and IIM.

		Ms. Vishakha Shukla	Paper Presentation in International Conference	indian economic transformation through revival of manufacturing sector and start up ecosystem	Ramanujan College, Delhi University	21st Sep'17 to 22nd Sep'17	International

## **CENTRAL LIBRARY**

A library is an enormous collection of sources of information and similar resources, selected by experts and made accessible to a defined community for reference or borrowing. It provides physical or digital access to reading materials.

Shri Ramswaroop Memorial University consists of 3 libraries (one central library and 2 institutional libraries) and is accomplishing its task of reaching to wider academic community. SRMU Library has advanced its web activity with the subscription to many high-quality electronic databases being made available through campus network to faculty members, students and research scholars. The library also promotes open access of e-resources. It is fully air-conditioned, Wi-Fi, CCTV cameras enabled and 24x7 remote access to the e-collection. The library continuously endeavours to further improve its efforts to facilitate right information to the right user at the right time.

### **Library Collection:**

<b>S.No.</b>	<b>Type of Learning Resources</b>	<b>Number</b>
<b>1</b>	<b>Books</b>	24050
<b>4</b>	<b>Gifted Books</b>	297
<b>4</b>	<b>Rare Books</b>	Nil
<b>5</b>	<b>Print Journals (Renewed)</b>	16
<b>6</b>	<b>Magazine (Renewed)</b>	21
<b>7</b>	<b>Newspaper (Renewed)</b>	15
<b>8</b>	<b>E-Books</b>	1029
<b>9</b>	<b>E-Journals</b>	190
<b>10</b>	<b>Dissertations/Projects</b>	285
<b>11</b>	<b>PhD. Thesis</b>	9
<b>12</b>	<b>CDs/DVDs</b>	187

Digital initiatives of the library:

- Internet Access Facility.
- Subscription of Manupatra.
- Institutional Membership of DELNET.

## **EXAMINATION CELL REPORT**

The University is committed to maintain the highest standards of academic integrity in the examination process, in accordance with the standards and principles established. The Examination Cell ensures transparency in all its activities that adequately support all students and institutions. The Examination Cell administers open and secured processes and systems and work in close collaboration with institutions, external organizations and individuals.

<b>S. No.</b>	<b>Criteria</b>	<b>No. of Students</b>			
		<b>UG</b>	<b>PG</b>	<b>IG</b>	<b>Diploma</b>
1	Pass & Promoted (Other than Final year)	1753	182	183	555

Apart from club and other events, University organizes its Annual Fest and Freshers Party every year in which from planning to execution, students participate enthusiastically.

### **Anubhuti:**

Anubhuti is the flagship cultural fest of Shri Ramswaroop Memorial University. It is platform for channelizing youthful energy into intellectual, creative and cultural pursuits through a plethora of events.

New energies, new team and a completely different perspective brought together the formation of this year's *Anubhuti*. The theme was Emblazon. There were some additional events in comparison to last year. Moreover, the exposure through Sponsorship of event brought in more active participation as students. The Flash Mob is the pre-event attraction at the University Campus. It usually takes place at the basketball or volleyball court where students are given an open stage to showcase their talent. The huge crowd around the basketball court and the enthusiasm of the students is a major boost to the fest essentially. Star Night by Shaan, being the main attraction The Star Night this year was the most stunning and enthusiastic in the history of this fest. The Star Performer was Shaan who captured the hearts of everyone just by his melodious voice. From the soothing romantic numbers to the crazy dance ones, he simply ruled not just the stage but also our hearts.

### **Harmony:**

Harmony, the showcase of young talents of Shri Ramswaroop Memorial University, is a platform for display of the creativity of young minds through a versatile series of cultural events. The fresher's take the lead as a part of different institutes of SRMU. With the zeal and enthusiasm they participate in various competitions of singing, dancing, acting and fashion show. The students receive a grand welcome by their seniors and with a competitive spirit excel in every field and present their talents beautifully.

## **Sports and Games**

There are excellent recreational facilities for sports and games at SRMU. Indoor and outdoor games like chess, carrom, badminton, tennis, basketball, volleyball, football, cricket etc. Gymnasium facility is also provided for students. For multi-dimensional development, students are encouraged to participate in at least one game/sport of their choice. Extensive outdoor and indoor games facilities have been provided within the campus for overall physical development and recreation. We firmly believe in the age-old adage "Healthy mind resides in a healthy body". Sports Club of Shri Ramswaroop Memorial University strongly recognizes the idea of "Sports for All" as access to sports is being considered the fundamental right to all which seems to preserve integrity of sports in the University. The University has registered its repute not only in academics, but also in the field of sports too. Some glimpses of the events are:
